

GREENWAVE ORGANIC PELLETS

Organic Slow-Release Bio Fertiliser

For fruits, vegetables and flowers

Greenwave Organic Pellets is an eco-friendly fertiliser made from nutrient-rich organic matter and seaweed, compressed into pellet form for easy and prolonged application. Designed to support plant growth naturally, it provides a slow-release source of NPK while helping to retain soil nutrients over time.

Key Benefits

Supports Natural Plant Growth

Contains natural growth stimulants and essential elements to help fruits, vegetables and flowers grow stronger.

Slow-Release Nutrition

Provides a gradual source of NPK, allowing nutrients to be released over time.

Improves Soil Nutrient Retention

Helps retain soil nutrients for longer periods, supporting healthier soil performance.

Helps Stabilise Soil pH

Contributes to better soil balance by helping stabilise pH levels.

Eco-Friendly Formula

Made from organic materials with no synthetic additives or preservatives.

Product Composition

Ingredients:

Seaweed, composted chicken manure and biochar.

Formula:

Balanced NPK formula: **4-3-3**

Organic Matter:

Made from **100% organic materials**

Nutrient Availability:

Extended nutrient availability for prolonged plant feeding.

Application

Recommended dosage:

Approximately **400g per square metre**

Apply evenly around the planting area and use in accordance with local agricultural guidelines and best practices.

Suitable For

Greenwave Organic Pellets can be used for:

- Fruits
- Vegetables
- Flowers
- Home gardens
- Sustainable agriculture
- Conventional agriculture

How to Use

1. Carefully open the pellets bag using a pair of scissors.
2. Apply approximately **400 g per square metre**, spreading the pellets evenly across the planting area. For potted plants, sprinkle gently around the plants.
3. Continue with your usual planting and cultivation process.
4. Reseal the bag or transfer the remaining pellets to a suitable container. Reapply when required.

Storage Conditions

Keep the product in a **cool, dry place**, away from direct sunlight.

Warnings & Precautions

Keep out of reach of children and pets. Avoid contact with eyes and prolonged skin exposure. If contact occurs, rinse thoroughly with water. Do not ingest. If swallowed, seek medical advice.

No hazardous components are expected under normal use conditions.

Regulatory & Compliance Notes

This product does not contain synthetic additives or preservatives. It is not certified organic, but is suitable for use in conventional and sustainable agriculture.

Packaging

Net weight: 1kg | 5kg

Packaging: 100% recyclable packaging

Please dispose of empty packaging responsibly.
